**TO:** The Chief Executive Officer of each  
financial institution and others concerned  
in the Eleventh Federal Reserve District

**SUBJECT**

**Credit Risk Modeling:  
Current Practices and Applications**

**DETAILS**

The Basle Committee on Banking Supervision has requested public comment on a paper titled *Credit Risk Modeling: Current Practices and Applications*. The paper describes the structure of various credit risk models used by commercial banks worldwide and identifies related supervisory issues pertaining to the use of such models as a basis for regulatory capital standards.

The Basle Committee must receive comments by October 1, 1999. Please send comments to the Bank for International Settlements (BIS), Centralbahnplatz 2, CH-4002, Basle, Switzerland.

The paper is available on the BIS web site at <http://www.bis.org/publ/index.htm> under the heading "Basle Committee on Banking Supervision."
