

Poster Session Guidelines

As you prepare your poster for the conference, please use the following guidelines:

Physical Specifications

- Tables are 3 feet by 6 feet.
- There are no electrical outlets available.
- Posters must be able to stand on their own. Consider a tri-fold presentation display.
- Please contact esp@dal.frb.org if you are unable to stand for the 45-minute session and will require accommodations.

Presentation Recommendations

- Use light-colored backgrounds with dark text or dark backgrounds with light text.
- Use a minimum of 36 point font for all titles and 24 point for text.
- If you are using charts and graphs, simplify them. Limit the amount of data you present on one graph.
- Bring copies of your paper to hand out at your table.
- Organize your presentation logically: hypothesis, data, testing, results, policy implications.
- Be prepared to answer questions about all aspects of your research.
- Do NOT simply put your paper on a presentation board.
- Bring all additional set-up supplies you may need: tape, glue stick, etc.
