

## NOTES AND CREDITS

### Acknowledgments

"The Best of All Worlds" was written by W. Michael Cox and Richard Alm. The essay is based on research conducted by Cox, senior vice president and chief economist, Federal Reserve Bank of Dallas. Alm is a senior economics writer in the Bank's Research Department. Julia K. Carter, a senior economic analyst at the Bank, provided important research assistance on the project. Danielle DiMartino, economics writer at the Bank, wrote the stories on pages 10, 17 and 25.
