Report Item 3: Shareholders

(1)(a)(b)(c) and (2)(a)(b)(c)

Current shareholders with ownership, control or holdings of 5% or more with power to vote as of fiscal year ending 12-31-2020			Shareholders not listed in 3(1)(a) through 3(1)(c) that had ownership, control or holdings of 5% or more with power to vote during the fiscal year ending 12-31-2020		
(1)(a) Name, City, State, Country	(1)(b) Country of Citizenship or Incorporation	(1)(c) Total Shares/ Ownership % of Voting Securities	(2)(a) Name, City, State, Country	(2)(b) Country of Citizenship or Incorporation	(2)(c) Total Shares/ Ownership % of Voting Securities

The Vanguard Group (B) Malvern, PA, USA	USA	1,439,657 5.80%			
Luxor Capital Group New York, NY USA (C)	USA	1,357,798 5.50%			

(A) BlackRock Inc. is passive fund manager who owns their interest in Triumph Bancorp through their role as asset manager for multiple investment funds which track broad based indices vs. active managers who make investment decisions on individual issuers. Although BlackRock, Inc., as the asset manager for such funds, owns more than 10% of Triumph Bancorp, Inc. common stock (which has been identified solely on the basis of SEC Filings made by BlackRock disclosing its ownership percentage) our understanding, based on conversations with BlackRock on this matter, is that BlackRock separates their investment function from the power to vote the securities owned by its funds. Such voting is outsourced to a third party, who votes shares in accordance with Blackrock’s proxy voting guidelines (which are consistent standards applied for governance and shareholder rights matters) vs. using their vote to exert control/influence over the business decisions or strategic direction of any issuers.

(B) The Vanguard Group. is a passive fund manager who owns their interest in Triumph Bancorp through their role as asset manager for multiple investment funds which track broad based indices vs. active managers who make investment decisions on individual issuers. Triumph Bancorp attempted to obtain an understanding of the voting procedure for assets under management of The Vanguard Group, but requests for information were not returned by The Vanguard Group.

(C) Luxor Capital Group is an active manager based in New York, NY who invests through a series of funds and feeder funds. As disclosed in in their SEC filing on Schedule 13G/A on February 16, 2021, Luxor also disclosed that certain of the feeder funds were domiciled in Cayman Islands.

(D) Wellington Management Group, LLP is an active manager based in Boston, MA. Various portfolio managers vote proxy in the best interests of their clients.

BlackRock, Inc. (A)	Institutional Investor	Principal Securities Holder	None	None	14.70% Common	None	None

(A) BlackRock Inc. is passive fund manager who owns their interest in Triumph Bancorp through their role as asset manager for multiple investment funds which track broad based indices vs. active managers who make investment decisions on individual issuers. Although BlackRock, Inc., as the asset manager for such funds, owns more than 10% of Triumph Bancorp, Inc. common stock (which has been identified solely on the basis of SEC Filings made by BlackRock disclosing its ownership percentage) our understanding, based on conversations with BlackRock on this matter, is that BlackRock separates their investment function from the power to vote the securities owned by its funds. Such voting is outsourced to a third party, who votes shares in accordance with BlackRock's proxy voting guidelines (which are consistent standards applied for governance and shareholder rights matters) vs. using their vote to exert control/influence over the business decisions or strategic direction of any issuers.
