# FNB HOLDING COMPANY ANNUAL SHAREHOLDER REPORT

March 25, 2021

Stockholder
FNB Holding Company
The Parent Company of First National Bank of Fort Stockton

Re: 2020Stockholders' Report

Dear Stockholder:

For most of us, 2020 was a year we would rather forget, with challenges from the COVID-19 pandemic, coupled with record low oil prices. However, I am very pleased to report that our bank managed to work through those challenges and maintain strong profitability.

The bank finished the year with a total asset size of \$138,062,644 and achieved a profit of \$1,748,893. This resulted in a Return on Equity (ROE) of 11.01% and Return on Average Assets (ROA) of 1.27%.

The bank went into the pandemic with a strong capital position, as well as a very healthy loan loss reserve. We have maintained these strong positions despite the challenges we have faced, finishing the year with a 10.57% Tier 1 capital ratio and a loan loss reserve equal to 2.5% of our outstanding loan balances.

Many of the bank's customers experienced financial stress to varying degrees as a result of the pandemic. In most cases, we were able to help them work through those difficulties, offering deferment of payments and other accommodations, allowing them to adjust to the issues they faced. Furthermore, the bank, although not traditionally an SBA lender, was able to enroll and become certified to participate in the Payroll Protection Program (PPP) offering forgivable loans to businesses that maintained staff through the pandemic.

Looking forward to this next year, I anticipate that the bank will continue to face margin pressure and will continue to have challenges in the loan portfolio due to uncertainties in the oilfield. I am confident, due to strong capital positions and an outstanding staff, that we are well equipped to deal with all that we face.

The officers and directors of the bank and the holding company are grateful for your support and appreciate the chance to serve you, as well as our customers. Though the future may bring challenges, we continue to see opportunity!

Sincerely,

Dan C. Frank, III President/CEO
