

The ETA may be for you.

You can open an ETA if you receive a Federal payment—Social Security, Supplemental Security Income (SSI), Railroad or Military Retirement, Veterans or Black Lung Benefits, or Civil Service Salary or Retirement.

This low-cost account is available at many banks, credit unions and savings banks even if you have been unable to qualify for a checking account in the past.

Most ETAs require no minimum balance, and all are federally insured. For \$3 a month or less, you can:

- ▶ Have your check deposited directly into your ETA account.
- ▶ Withdraw your money at least four times a month.
- ▶ Get money from your account in various ways.
- ▶ Receive a monthly account statement.
- ▶ Know that your money is safe and secure.

To find the banking institution closest to you offering an ETA, call (toll-free) 1-800-333-1795 or visit the ETA web site at www.eta-find.gov.
