

Stock Prices

Share prices of companies with a notable presence in San Antonio appreciated 8.0 percent from Aug. 16 to Sept. 20—more than the S&P 500 Index's 3.6 percent increase over the same time (*Chart 6*). The appreciation was generally broad based across industries in the San Antonio index. Manufacturers and financial firms saw steady increases in their stock prices. Food services and energy-related firms had mixed performances.
