Corporate Real Estate Transformation

Digital Talent Strategies + Workplace Experience

Enables Exceptional Business Performance

Multi-Dimensional "Hybrid" Workplace Pilots

Diverse Integrated Workplace Program Experience(s)

Integrated Human + Machine Collaborative Ecosystems

The Future of Work is Al-enabled/Machine-enabled

Global Behavioral Change Architecture/Management

Enables Hybrid Workplace/Employee Adoption/Success

Business, Workforce, Digital Transformation

Global Real Estate Portfolio/Workplace Optimization

The Future of Work Requires Human-Centric Work Design

GARTNER: Action to Redesign Work for the Hybrid World

Migration from Office-centric Design to Human-centric Design is the Priority

New technologies, new ways of working and new management approaches needed to support healthy, productive and innovative employees

Office-centric Design

An On-site Model for an On-site World: **The Location** as the stable pillar we design work around

Human-centric Design

A Hybrid Model for a Hybrid World: **The Individual** is the stable pillar we design work around

Work design principle: Equality of experiences

Provide Flexible Work Experiences

Work design principle: Equality of Opportunity

Enable Serendipitous Collaboration

Work design principle: Innovation by chance

Enable Intentional Digital Collaboration

Work design principle: Innovation by Design

Drive Visibility-based Management

Work design principle: Performance by inputs

Drive Empathy-based Management

Work design principle: Performance by Outcome

Employee vs Employer: Expectation Gaps Widen Greatly

Growing expectations and disparity between what employees want and what employers view as key priorities and what is most important¹

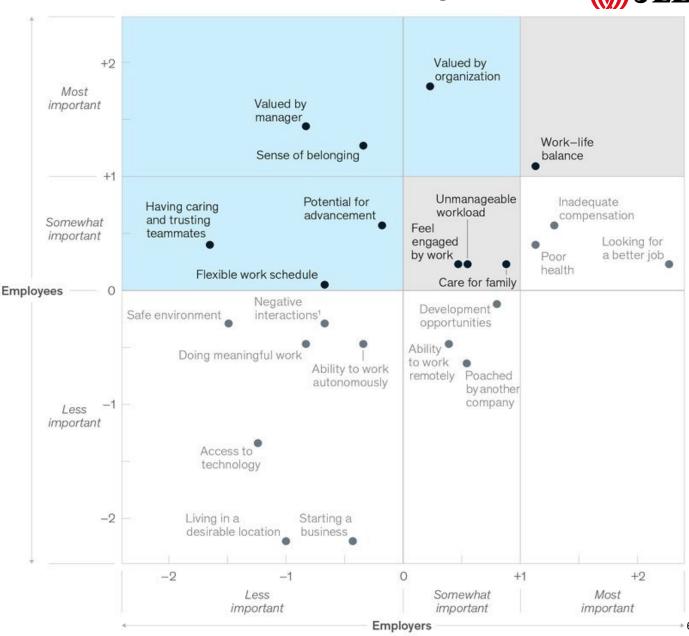

Employees want to be **valued by the organization** and by their manager and have
a **sense of belonging**

Employer's desire **greater employee loyalty and retention** via development opportunities to combat accelerating employee attrition rates

Human-Centric Design and Employee-Centric Focus as business performance imperative with growing "War for Talent"

Digital Talent + Talent Anywhere Strategies = New Workforce Strategies @ Location Agnostic

The "Hybrid" Workplace Requires Technology Investments

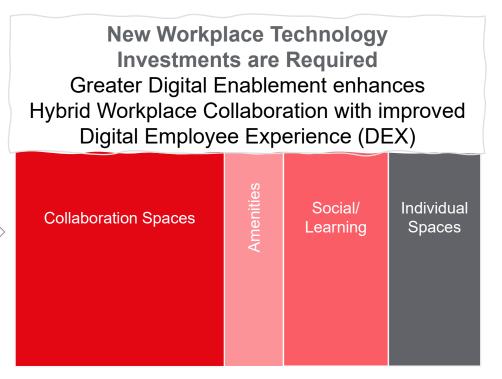

Historical Office/Workplace Envelope

Historical office was focused upon individual work with greater individual workplace allocation

ELASTICITY ADAPTATION RESPONSIBILITY

Future "Hybrid" Office/Workplace Envelope

Traditional/Office Real Estate Portfolios provided inconsistent Employee Experience and suboptimal Digital Employee Experience (DEX)

Future Hybrid Office serves as a Social Hub and the primary place for Communication, Connection, Collaboration and Creativity

The Hybrid Future of Work Requires a "Learning Mindset"

Undertake intentional experimentation via piloting to enable diverse "consumerized" hybrid workplace behaviors to make hybrid work successful
