

FEDERAL RESERVE BANK  
OF DALLAS

HELEN E. HOLCOMB  
FIRST VICE PRESIDENT AND  
CHIEF OPERATING OFFICER

DALLAS, TEXAS  
75265-5906

December 21, 1999

**Notice 99-106**

**TO:** The Chief Operating Officer of each  
financial institution and others concerned  
in the Eleventh Federal Reserve District

**SUBJECT**

**Century Date Change (CDC) News**

**DETAILS**

The Federal Reserve System has issued the final *Century Date Change News*. In this issue, we highlight work in the international financial services community led by Roger W. Ferguson, vice chairman of the Board of Governors of the Federal Reserve System. In addition, the issue includes two articles written by senior officers within the Federal Reserve System on the benefits gained and the lessons learned by many financial institutions and other businesses. We hope you find this issue of the *Century Date Change News* interesting and helpful as you enter the last few weeks of 1999.

During the event period, we will continue to communicate with you on our status. You can access both consumer and Federal Reserve operational information on our Internet site at <http://www.dallasfed.org>. You also may want to bookmark the national CDC site at <http://www.frbsf.org/fiservices/cdc/>. The home page for our CDC site will now become our status page, from which you will have easy access to documents that have supported this project.

In addition, we will post both national and local status information on our toll-free message line at (800) 333-2231. Please use one or both of these methods to obtain Federal Reserve status information during the critical rollover weekend.

**ENCLOSURE**

Enclosed is a copy of the *Century Date Change News*.
