Notice 99-90

TO: The Chief Executive Officer of each
financial institution and others concerned
in the Eleventh Federal Reserve District

SUBJECT

**1998 Functional Cost and
Profit Analysis Average Reports**

DETAILS

The 1998 Functional Cost and Profit Analysis (FCA) Average Reports are now available. The reports present a variety of information about the financial industry, including average income, expense, and productivity figures for depository institutions that participated in the FCA program. Each Average Report provides product and product-line comparisons separated into two asset-size categories for comparability.

If you would like to receive copies of the reports, please complete the order form on the reverse side of this notice. Each report costs \$150.00 per copy.

MORE INFORMATION

If you have questions or need additional information, please contact Jesse Jackson, (214) 922-5455, or Barbara Winters, (214) 922-5376, of the Statistics Department. For additional copies of this Bank's notice, contact the Public Affairs Department at (214) 922-5254.
