SUBJECT

**Uniform Bank Performance Reports
Available in Electronic Format**

DETAILS

The Federal Financial Institutions Examination Council (FFIEC) has announced that Uniform Bank Performance Reports (UBPRs) are now available in electronic format on its web site at <http://www.ffiec.gov>. The UBPR is a financial analysis tool used by federal and state bank supervisors and the banking industry. By making the UBPR available online, the FFIEC hopes to expand public access to financial information about banks.

UBPRs are available on the FFIEC's web site for all commercial and FDIC insured savings banks currently in operation and any that closed in the last five years. The financial information available spans five years and includes twenty consecutive quarters of data. The FFIEC's web site offers several features to help identify specific institutions. All UBPR pages can be viewed, printed, or downloaded. Definitional questions can be answered by using the online copy of the User's Guide for the UBPR.

Individual printed copies of the UBPR will continue to be sent to banks each quarter. The general public may for a fee obtain printed copies of the UBPR and related reports by calling (800) 945-2186. Questions, comments, or suggestions about the online UBPR are welcome and can be e-mailed to FFIEC-Suggest@frb.gov.
