The FFIEC has prepared a disclosure statement from CRA data reported—in electronic form—for each reporting commercial bank and savings institution. The FFIEC also has prepared aggregate disclosure statements of small business and small farm lending for each of the metropolitan statistical areas and each of the non-metropolitan counties in the United States and its territories. These statements have been distributed to central depositories throughout the nation, where they are available for public inspection. Central depository locations and an order form for other available data can be found at the following Internet address:
