Conference Announcement and Call for Papers

27th Symposium of the Society for Nonlinear Dynamics and Econometrics
March 28-29, 2019
Federal Reserve Bank of Dallas, Texas (USA)

The 27th Annual Symposium of the Society for Nonlinear Dynamics and Econometrics (SNDE) will be held at the Federal Reserve Bank of Dallas, Texas (USA), March 28-29, 2019. The aim of the meeting is to present and discuss recent developments in theoretical and empirical analysis of nonlinearity in economics and finance.

Confirmed keynote speakers are **Barbara Rossi** (ICREA-Pompeu Fabra and Barcelona GSE) and **Frank Schorfheide** (University of Pennsylvania).

You are invited to submit a paper. Completed manuscripts or extended abstracts can be submitted electronically via the Conference Maker software at the following link: https://editorialexpress.com/cgi-bin/conference/conference.cgi?action=login&db_name=SNDE2019.

To submit a paper, you must select one of the following five topic areas: (1) Macro Theory, (2) Empirical Macro, (3) Forecasting, (4) Time Series, or (5) Finance.

Local organizers:
Enrique Martínez-García (Federal Reserve Bank of Dallas)
Alex Richter (Federal Reserve Bank of Dallas)
Antonella Tutino (Federal Reserve Bank of Dallas)
Carlos Zarazaga (Federal Reserve Bank of Dallas)

Organizers (SNDE Executive committee):

Hilde C. Bjørnland (President-SNDE, BI Norwegian Business School)

Richard Baillie (Michigan State University)

Guillaume Chevillon (ESSEC Business School)

Kevin Lansing (Federal Reserve Bank of San Francisco)

Jun Ma (Northeastern University)

Michael T. Owyang (Federal Reserve Bank of St. Louis)

Irina B. Panovska (Lehigh University)

Francesco Ravazzolo (University of Bozen/Bolzano)

Tatevik Sekhposyan (Texas A&M University)

The program committee includes (in addition to the local organizers and the SNDE Executive committee):

Christiane Baumeister (University of Notre Dame)

Pablo A. Cuba-Borda (Federal Reserve Board)

Edward Herbst (Federal Reserve Board)

Paul McNelis (Fordham University)

David Papell (University of Houston)

Efthymios Pavlidis (Lancaster University Management School)

Nathaniel A. Throckmorton (College of William and Mary)

Sarah Zubairy (Texas A&M University)

Deadline for Submissions: **December 10, 2018.**

Notification for authors: **January 21, 2019.**

Complete details regarding registration fees and local accommodations will be available in the near future on the society's website at https://sndeecon.org.

The Society will award two 500 USD prizes: (1) the James B. Ramsey prize for the top paper in econometrics presented by a graduate student, and (2) the Gerald P. Dwyer prize for the top paper in finance presented by a graduate student. Graduate students' electronic submissions should be followed up by a letter on official university stationary from a professor certifying that the submitter is a graduate student in good standing. An electronic version of this letter should be emailed by the professor to SNDE Executive Board President Hilde C. Bjørnland at hilde.c.bjornland@bi.no by February 16, 2019.

Authors of papers accepted for the Symposium are encouraged to submit their paper to the Society's journal: Studies in Nonlinear Dynamics and Econometrics http://www.degruyter.com/view/j/snde.

For additional information about the Society for Nonlinear Dynamics and Econometrics, see https://sndeecon.org. For questions regarding paper submission or registration, please email Kristin Scheyer at SNDEsymposia@live.com.
